

Privacy Policy

This application is designed for detecting dead pixels on the screen. We take privacy and user data protection seriously. Below, we provide information about data collection and usage in our app:

1. **Data Collection:** Our app does not collect any personal data from users. It only processes screen captures to identify dead pixels.
2. **Data Sharing:** User data is not shared with any third parties. The app operates solely on your device.
3. **Cookies and Tracking:** Our app does not use cookies or tracking technologies.
4. **Security:** We take necessary precautions to keep user data secure. Since there is no data transmission over the internet, there is no risk associated with data exposure.
5. **Changes:** Our privacy policy may be updated periodically. By continuing to use the app, users accept the current policies.
